COLOR SELECTION GUIDE METAL THAT LOOKS LIKE WOOD

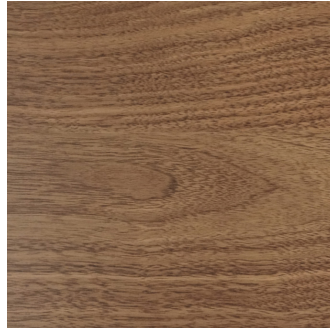

Colors represented on this chart may not exactly match actual material.
All colors should be verified using actual metal samples.

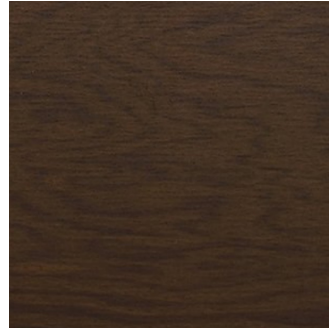

WOOD COLORS:

Maple Wood

Rosewood

Walnut Wood

Gray Wood

Distressed Wood

White Wood

Aged Wood

Black Wood

Burnt Wood®

Directional Coating: When two aligned panels are placed next to each other, they may look like the same color. However, if one of those panels is flipped around, the colors seem to change, making the panels look different. Changing the direction of installation for one of the roof panels will result in the panels appearing to be different colors.
