SPECIALTY PRODUCTS - NOT A PAINTED FINISH

A606-4 (aka Corten®)

Does not arrive pre-rusted.

Bare Cold Rolled Steel

Does not arrive pre-rusted.

Bonderized

Stainless Steel

Copper

† 7/8" Corrugated Only | †† SMP Paint Finish/26GA | *Also Available in Aluminum

All specialty paint prints are batch sensitive and directional. Do not mix batches or coil lots.

Colors represented on this chart may not exactly match actual material. All colors should be verified using actual metal samples.

Directional Coating: When two aligned panels are placed next to each other, they may look like the same color. However, if one of those panels is flipped around, the colors seem to change, making the panels look different. Changing the direction of installation for one of the roof panels will result in the panels appearing to be different colors.
